

Final Project

Team Selfie :)

Elevator pitch:

- Interactive game puzzle
- Challenging questions in team settings
- Students dig through “sand” to find boxes with questions on them
- Answer the questions and input the answer on keypad
- Collect puzzle pieces and solve puzzle
- Timed game that brings out competitive nature
- Critical thinking skills and problem-solving

Feedback collection (Interview):

1. Were the instructions easy to follow?
2. Did you find the system easy to interact with? (numpad, boxes, etc)
3. How long do you think this would take a group of 6th graders?
4. How many people do you think can play this game?
5. How enjoyable was your experience with this game and would you recommend this to a sixth grader?
6. What would you suggest to improve this game?
